

Practice Standards

December, 2012

Section I, Introduction

2. Application

A. These standards are intended to be used as a guide to professional conduct and performance. They are not intended to be used as criteria for the judicial evaluation of alleged misconduct of counsel to determine the effectiveness of representation. They may or may not be relevant in such judicial evaluation, depending upon all the circumstances.

B. These standards apply generally to all counsel who represent persons at state expense pursuant to the Montana Public Defender Act. In cases where these standards conflict with or contradict the standards established for representation in certain specific types of cases, the more specific standards shall apply.
